COUNSELLING W.R.T IMPROVING PERFORMANCE IN CLASS XI

(UNDERTAKING 4)

1. I understand that Senior Secondary Curriculum is entirely different from Secondary curriculum. Senior Secondary Curriculum core subjects like Mathematics, Physics, Chemistry, Biology and Computer Science requires dedicated efforts from cadets continuously from the beginning of the academic year without which chances of your ward not performing well may be high. School will apprise this to cadets from time and time and also you will be intimated about your wards performance in the internal examinations at regular intervals of time. It is being advised by the school administration that unless my son/ ward improve his performance in internal examinations, he would face difficulty in passing exams in Std XI. It was also explained to me that:

(a) **PASS CRITERIA PRESCRIBED BY THE CBSE IN XI & XII:** The Eligibility for pass is 33% in each subject and 33 % in aggregate. My ward has to pass in Theory (33% of total marks) & Practical Exams (33% of total marks) separately and obtain an aggregate of 33%. Otherwise he would be declared 'failed'. The CBSE rule (rule no. 42) w.r.t compartment examination is attached with this undertaking for easy reference of the parent.

(b) **CRITERIA PRESCRIBED BY THE SAINIK SCHOOLS SOCEITY TO RETAIN THE SCHOLARSHIP:** The eligibility for retention of scholarship as below:-

	<u>SC/ST</u>	<u>Others</u>
Each Subject	40%	45%
Aggregate	50%	55%

2. I therefore undertake to counsel my ward to strive hard in improving his academic performance and I will also monitor the same by visiting the school every month.

3. I hereby state that I fully agree with the terms mentioned in this undertaking.
